

# All We Can Speaker

Our volunteer speakers are an incredibly valuable part of achieving our mission at All We Can.

Their ability to communicate All We Can's work is vital to engendering enthusiasm and commitment from churches, circuits and districts around the Connexion. Through this support, All We Can is able to raise funds and awareness for our work – helping people in some of the world's poorest communities to become all that they can.

## Role of an All We Can Volunteer Speaker

A speaker represents All We Can and presents who we are and what we do to a variety of audiences, such as to churches, circuits and districts, and for a range of occasions e.g. a service, workshop or event. The speaker is provided with the materials they need, including a PowerPoint presentation and notes. Common requests for a speaker include delivering a presentation which provides an overview of All We Can, delivering a talk in a church service based on All We Can materials e.g. Harvest or Inspirational Women, or to deliver a presentation focused on a project or area of All We Can's work.

## Application

Thank you for your interest in signing up to be an All We Can speaker.

All We Can reserves the right to turn down applications to be a volunteer speaker and to remove people from the list of speakers in order to preserve best practice and our brand identity.

After you have submitted your application, we will be in touch to clarify any details and to arrange an appropriate programme of induction, training and support.
