

ALL WE CAN

# Every person's potential fulfilled

VISION  
MISSION

## Love

is the oxygen of our movement and enables meaningful relationships and actions

VALUES

Working through partnership alongside our global neighbours most impacted by disasters, poverty and injustice to enable flourishing and resilient communities

Rooted in the Christian faith, we are an open and inclusive movement for change, for all people

BELIEFS

## Collaboration

is working together in solidarity and partnership, not in control

## Integrity

is personifying transparency, honesty and accountability

### GOAL 1

**To create a legacy of resilient, thriving and impactful local partners.**

We will achieve this by deepening and strengthening our partnership model; supporting our local partners to become resilient, and self-sufficient; enabling partners to deliver community-led, effective, and adaptive programmes; and responding quickly to humanitarian emergencies, and committing to longer-term recovery in affected communities.

### GOAL 2

**To inspire and invest in a wealth of diverse supporter relationships that resource and grow the movement.**

We will achieve this by working toward financial sustainability; developing, growing and improving our fundraising and communication approach; informing and inspiring our incredible supporters by demonstrating their impact; and enabling even more people to hear about All We Can's work.

### GOAL 3

**To leverage greater impact in the wider world through collaboration and influence.**

We will achieve this by working together with our Methodist Church family, and other denominations, in our response to poverty and disasters; sharing All We Can's partnership approach, and its impact, with others across the international development sector; and helping educate people throughout the UK and beyond about the root causes of poverty and injustice, to help facilitate change.

Committed partnership, through long-term relationships, is the most sustainable way to tackle poverty, respond to disaster and overcome injustice

Local people are best placed to create positive change in their own communities

Building resilience better equips people to withstand and recover from disasters

STORY

All We Can has served some of the most marginalised communities on earth for the last eight decades – since a group of Methodists answered the call of refugees in Europe, in the 1930s. Our story is about the inherent value and potential in all people. Whether children fleeing tyranny; communities facing extreme poverty, or families hit by disaster, we answer through partnering with local innovators, projects and churches to unleash *inherent* potential. We work with people in vulnerable and excluded communities, in the lowest-income countries and have developed a reputation for *doing development differently*: pioneering sustainable, locally-owned solutions in response to John Wesley's call to, 'Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can.'
